

## Y.A.T.F.S. OFFICIAL CONSTITUTION

This publication contains the official YATFS constitution and the amendments approved November 2005. All previously dated and printed constitutions are made obsolete and void by this publication.

Members are encouraged to keep this handbook for future references. Any future amendments will be of a nature that they can be added to this loose leaf handbook.

---

The Youngstown Area Tropical Fish Society is a non-profit hobby organization composed of local aquarists and dealers. It was founded in the spring of 1972 for the express purpose of encouraging and promoting the science of exotic freshwater and saltwater fish and plants, assisting new hobbyists, encouraging the breeding and displaying of all aquatic life and acquiring and dispensing aquaria knowledge and literature. All persons interested in aquariums are invited to attend two meetings before making a decision on membership.
